The Company

For over 50 years, JohnsonSuisse has been a leading brand name in the Malaysia sanitary ware industry providing homes, business and industries with a complete solution of bathroom products. In 2006, the company was acquired by Spain's ROCA Corporación Empresarial S.A.

Guided by its parent company the ROCA Group - one of the world's leaders in the bathroom industry, operating in over 136 international markets, JohnsonSuisse has become a major supplier of commercial sanitary ware throughout Asia Pacific, Middle Eastern and Australian market.

Both companies are expected to enhance and strengthen the JohnsonSuisse brand name and its presence locally and internationally. The JohnsonSuisse brand has become the reference point for consumers and professionals. In 2016, Roca established a modern spacious 8,000 square feet Roca Experience Centre, showcasing the extensiveness of the Johnson Suisse products. JohnsonSuisse sanitary ware are made from durable, scratch-resistant vitreous china, and are polished with high quality glaze, which carries a lifetime warranty against manufacturing defects. To date, JohnsonSuisse range of commercial and residential bathroom products are widely used in prestigious buildings, hotels and residential projects worldwide.

Accolades

In respect of the environment and progression, JohnsonSuisse products are certified, recognised and warranted.

Water Closets

Water closets are an integral part of any bathroom. There are several factors and preferences that go into choosing the best water closets for maximum comfort. Height, finish, shape, placement, durability, user-friendly, water-saving and style are some variants to consider.

JohnsonSuisse prides itself in its vitreous china products and has diligently improved and enhanced the practicality, cleanability and functionality of its water closets.

Guide:

- Flush system:**
- Syphonic: powerful suction (pull)
 - Washdown: flush and force water volume (push)

Bath Tubs

The right bath tub adds beauty and comfort to a bathroom, provided there is room for it. It comes in many shapes, sizes and all manner of materials. Consider a bath tub made of enamelled steel for a longer shine and keep.

Guide:

Recessed bath: A bathtub that has all or part of the tub resting beneath the finished floor (as opposed to a freestanding bath tub)
Anti-slip base: A non-slip surface for safety
Handgrip: A handle to hold and grasp

Enamelled Steel

JohnsonSuisse's enamelled steel bath tubs are made of three-coats-two-fires enamel steel, and elite material with the maximum degree of abrasion, scratch and impact resistance.
